1. Mr Harris - Opposition Day - This House, noting the increase in the number of jobs lost through layoffs, the rising unemployment rate, the increase in the social assistance caseload and in the cost of social assistance programs and noting the deterioration in the province's financial position, urges the government to abandon the tax and spend approach to financial management which has dominated the province's fiscal policy for the past five years, an approach which has added to inflationary pressures and reduced the competitiveness of Ontario's industries, and to adopt a policy of restraint to control costs and to provide the opportunity for tax relief. To be debated on Thursday, November 29, 1990. Treasurer of Ontario.

1. Mr Harris - Opposition Day - This House, noting the increase in the number of jobs lost through layoffs, the rising unemployment rate, the increase in the social assistance caseload and in the cost of social assistance programs and noting the deterioration in the province's financial position, urges the government to abandon the tax and spend approach to financial management which has dominated the province's fiscal policy for the past five years, an approach which has added to inflationary pressures and reduced the competitiveness of Ontario's industries, and to adopt a policy of restraint to control costs and to provide the opportunity for tax relief. To be debated on Thursday, November 29, 1990. Treasurer of Ontario.

1. Mr Harris - Opposition Day - This House, noting the increase in the number of jobs lost through layoffs, the rising unemployment rate, the increase in the social assistance caseload and in the cost of social assistance programs and noting the deterioration in the province's financial position, urges the government to abandon the tax and spend approach to financial management which has dominated the province's fiscal policy for the past five years, an approach which has added to inflationary pressures and reduced the competitiveness of Ontario's industries, and to adopt a policy of restraint to control costs and to provide the opportunity for tax relief. To be debated on Thursday, November 29, 1990. Treasurer of Ontario.

**PRIVATE MEMBERS' NOTICES
OF MOTION****AVIS DE MOTION DES DÉPUTÉS**

1. Mr Eves - Motion - That the Legislative Assembly of Ontario recognizes that the period allotted for members' statements was intended for private members and not for statements announcing government initiatives, legislation, policies or proclamations and that any such announcements should be made during the time allotted for ministerial statements and therefore this House resolves that the Standing Orders of the Legislative Assembly be amended as follows:

Standing Order 30 be amended by adding thereto the following clause:

- (d) No member shall make a statement announcing any government initiative, legislation, policy or proclamation. November 27, 1990.
-

SPECIAL DEBATES**DÉBATS SPÉCIAUX****OPPOSITION DAY****JOUR DE L'OPPOSITION**

1. Mr Harris - Opposition Day - This House, noting the increase in the number of jobs lost through layoffs, the rising unemployment rate, the increase in the social assistance caseload and in the cost of social assistance programs and noting the deterioration in the province's financial position, urges the government to abandon the tax and spend approach to financial management which has dominated the province's fiscal policy for the past five years, an approach which has added to inflationary pressures and reduced the competitiveness of Ontario's industries, and to adopt a policy of restraint to control costs and to provide the opportunity for tax relief. To be debated today. Treasurer of Ontario.
2. Mrs. Sullivan - Opposition Day - That in the opinion of this House, since the Minister of the Environment has acknowledged that even under the most optimistic forecasts of reduction, re-use and recycling there will still remain more than three million tonnes of municipal waste within the Greater Toronto Area requiring disposal annually;

Has effectively absolved communities within the Greater Toronto Area of their responsibility to designate interim sites within their own boundaries to deal with the impending garbage crisis;

Has indicated she is prepared to exercise emergency powers to extend land-filling at Keele Valley and Britannia Road in excess of currently allowable volumes, thereby ignoring all safeguards under the Environmental Assessment Act, and order without a hearing of any kind the disposal of garbage into the proposed site 6B in Brampton and P1 Whitevale site;

Has refused to provide this legislature and the public with the details of her waste reduction strategy, and

Since the present government has clearly abdicated its responsibility to protect the public and the environment, and has failed to provide a sound environmental plan to deal with the impending garbage crisis;

This House therefore calls upon the Minister of the Environment to provide that:

- i) A comprehensive waste reduction strategy be presented to the legislature immediately for public debate and implementation;
- ii) No existing land-fill sites will have their capacity expanded without full and public hearings under the Environmental Assessment Act;
- iii) No region can transport its waste to another municipality in the province without a resolution of the recipient municipality indicating that it is a "willing host" for such waste;

iv) No regional land-fill site that is coming on stream in a municipality having completed the Environmental Assessment process shall be required to accept municipal solid waste from outside the municipality by the Minister of the Environment's emergency powers.

v) No new waste disposal sites will be designated within the province without the benefit of full and public hearings under the Environmental Assessment Act. To be debated on Tuesday, December 4, 1990. Minister of the Environment.

**PRIVATE MEMBERS' NOTICES
OF MOTION****AVIS DE MOTION DES DÉPUTÉS**

1. Mr Eves - Motion - That the Legislative Assembly of Ontario recognizes that the period allotted for members' statements was intended for private members and not for statements announcing government initiatives, legislation, policies or proclamations and that any such announcements should be made during the time allotted for ministerial statements and therefore this House resolves that the Standing Orders of the Legislative Assembly be amended as follows:

Standing Order 30 be amended by adding thereto the following clause:

- (d) No member shall make a statement announcing any government initiative, legislation, policy or proclamation. November 27, 1990.

SPECIAL DEBATES**DÉBATS SPÉCIAUX****OPPOSITION DAYS****JOURS DE L'OPPOSITION**

1. Debated November 29, 1990.
2. Mrs Sullivan - Opposition Day - That in the opinion of this House, since the Minister of the Environment has acknowledged that even under the most optimistic forecasts of reduction, re-use and recycling there will still remain more than three million tonnes of municipal waste within the Greater Toronto Area requiring disposal annually;

Has effectively absolved communities within the Greater Toronto Area of their responsibility to designate interim sites within their own boundaries to deal with the impending garbage crisis;

Has indicated she is prepared to exercise emergency powers to extend land-filling at Keele Valley and Britannia Road in excess of currently allowable volumes, thereby ignoring all safeguards under the Environmental Assessment Act, and order without a hearing of any kind the disposal of garbage into the proposed site 6B in Brampton and P1 Whitevale site;

Has refused to provide this legislature and the public with the details of her waste reduction strategy, and

Since the present government has clearly abdicated its responsibility to protect the public and the environment, and has failed to provide a sound environmental plan to deal with the impending garbage crisis;

This House therefore calls upon the Minister of the Environment to provide that:

- i) A comprehensive waste reduction strategy be presented to the legislature immediately for public debate and implementation;
 - ii) No existing land-fill sites will have their capacity expanded without full and public hearings under the Environmental Assessment Act;
 - iii) No region can transport its waste to another municipality in the province without a resolution of the recipient municipality indicating that it is a "willing host" for such waste;
 - iv) No regional land-fill site that is coming on stream in a municipality having completed the Environmental Assessment process shall be required to accept municipal solid waste from outside the municipality by the Minister of the Environment's emergency powers.
 - v) No new waste disposal sites will be designated within the province without the benefit of full and public hearings under the Environmental Assessment Act.
- To be debated on Tuesday, December 4, 1990. Minister of the Environment.

**PRIVATE MEMBERS' NOTICES
OF MOTION****AVIS DE MOTION DES DÉPUTÉS**

1. Mr Eves - Motion - That the Legislative Assembly of Ontario recognizes that the period allotted for members' statements was intended for private members and not for statements announcing government initiatives, legislation, policies or proclamations and that any such announcements should be made during the time allotted for ministerial statements and therefore this House resolves that the Standing Orders of the Legislative Assembly be amended as follows:

Standing Order 30 be amended by adding thereto the following clause:

- (d) No member shall make a statement announcing any government initiative, legislation, policy or proclamation. November 27, 1990.
-

SPECIAL DEBATES**DÉBATS SPÉCIAUX****OPPOSITION DAYS****JOURS DE L'OPPOSITION**

2. Mrs Sullivan - Opposition Day - That in the opinion of this House, since the Minister of the Environment has acknowledged that even under the most optimistic forecasts of reduction, re-use and recycling there will still remain more than three million tonnes of municipal waste within the Greater Toronto Area requiring disposal annually;

Has effectively absolved communities within the Greater Toronto Area of their responsibility to designate interim sites within their own boundaries to deal with the impending garbage crisis;

Has indicated she is prepared to exercise emergency powers to extend land-filling at Keele Valley and Britannia Road in excess of currently allowable volumes, thereby ignoring all safeguards under the Environmental Assessment Act, and order without a hearing of any kind the disposal of garbage into the proposed site 6B in Brampton and P1 Whitevale site;

Has refused to provide this legislature and the public with the details of her waste reduction strategy, and

Since the present government has clearly abdicated its responsibility to protect the public and the environment, and has failed to provide a sound environmental plan to deal with the impending garbage crisis;

This House therefore calls upon the Minister of the Environment to provide that:

- i) A comprehensive waste reduction strategy be presented to the legislature immediately for public debate and implementation;
 - ii) No existing land-fill sites will have their capacity expanded without full and public hearings under the Environmental Assessment Act;
 - iii) No region can transport its waste to another municipality in the province without a resolution of the recipient municipality indicating that it is a "willing host" for such waste;
 - iv) No regional land-fill site that is coming on stream in a municipality having completed the Environmental Assessment process shall be required to accept municipal solid waste from outside the municipality by the Minister of the Environment's emergency powers.
 - v) No new waste disposal sites will be designated within the province without the benefit of full and public hearings under the Environmental Assessment Act. To be debated today. Minister of the Environment.
